We charge a \$15,000 on each Smart Contract.

250 projects
x 20 smart
contracts
each

The diagram illustrates the revenue calculation. On the left, an orange circle contains the text '250 projects x 20 smart contracts each'. A grey arrow points from this circle to the right, where the revenue amount '\$75,000,000' is displayed in large orange font. Below the circle is the text 'Share of Real Estate Market', and below the revenue amount is the text 'REVENUE 2019-2021'.
